ORDER

On August 18, 2015, Western Mason County Water District (“Western Mason”) filed an Offer of Settlement and Motion to Accept Offer of Settlement. With its motion, Western Mason tendered a memorandum in support of the offer’s reasonableness.

Having considered Western Mason’s motion and offer, the Commission finds Western Mason’s offer insufficient. The Commission finds that the offer and motion should therefore be rejected and denied. The Commission notes that an informal conference has been scheduled to be held on August 19, 2015, and finds that Commission Staff should be authorized to conduct further settlement discussions with Western Mason. Finally, the Commission finds that a reasonable settlement would include mandatory water district commissioner training.

IT IS THEREFORE ORDERED that as follows:

1. Western Mason’s Motion to Accept Offer of Settlement is denied.
2. Western Mason’s proposed Offer of Settlement is rejected.
3. Commission Staff is authorized to conduct further settlement discussions with Western Mason.

4. Any settlement shall include mandatory attendance at water district commissioner training.
